Droughts, floods and storms are having a devastating impact on real people like Mahinur from Bangladesh who makes a living from fishing. She is the sole provider for her family as her husband and son are both disabled and rely on her to bring in food. Last year's drought killed most of the fish in the river on which they rely for food, so some days they simply can't eat. This coming Friday, could you eat a simple meal in solidarity with her and give what you save to help people like her?

**"The Good Pope"** Film on the life of John XXIII starring Bob Hoskins will be shown in the Parish Centre on Thursday 4<sup>th</sup> April at 6.30pm
