Major repairs and renovation of the North Aisle

(Confessionals and Sacristy side) and the replacement of the railings are due to begin on 27th January and will last for approximately six months. The church will continue to function as normal, however the benches in the North Aisle will be closed off and scaffolding erected there. Thank you for your support of this necessary work which will make that side of the church waterproof (at the moment St Joseph needs an umbrella when it rains). All the statues on that side of the Church have been relocated to other places within the Church for the duration of the work.

Trip to Lancaster Cathedral: Thursday 6th February for a Talk on England's Dowry by Mgr Armitage followed by Mass and Litany of Our Lady with Bishop Paul Swarbrick. These events are part of the preparation for the rededication of Our Country to Our Lady of Walsingham. The Statue of Our Lady of Walsingham is touring the Cathedrals of England and will be at our Cathedral on 6th February. We will be leaving at 4pm and returning hopefully by 9.30pm. Please add your name and details to the list at the back of each church by **Sunday 26th January**.
