Lent Fast Day: Friday 26th February: CAFOD envelopes will be available this weekend at all Masses.
Donations can also be made on line at cafod.org.uk/lent

Sr Pierre's Requiem Mass: The requiem mass will take place at Saints Peter and Paul's Church in Liverpool at 2pm on Thursday next, 25th February.
The service will be live streamed. Visit stpeterandpaulscrosby.co.uk and follow the link on the website to the live stream.
Please remember Sr Pierre in your prayers and all the Sisters in the communities where she lived and worked, here and overseas. Remember too, the many friends she made in parish communities and in the Extended Family.

Stations of the Cross: Will take place on Wednesday evenings at 6pm in St Mary's Church commencing on Wednesday 24th February. You are able to attend or participate on the livestream from St Mary's.

Zoom Retreats: Please see the separate notices on the website for the Zoom Lenten Retreats from Boarbank Hall and Hynning Hall.

Piano Concert: There will be a piano concert by Anthony Hewitt on Sunday 21st February at 6pm.
Just log on to the website www.ourladyoffurness.org.uk and follow the link for live streaming.

Mary's Meals: The monies collected for Mary's Meals in the bottles amounted to £141 last year and £142 this year. The amount of £142 was sent during the "double your love campaign" which means that Mary's Meals will receive double that amount with assistance from the government.
Please continue to pop your pennies in a bottle or jar. "Pennies make pounds" and all contributions help.\

At Home with Chopin and Fr Manny Friday 26th February 7pm: Fr Manny will livestream a musical evening playing music by Bach, Beethoven and Debussy among others. It will be, we hope, a chance to come together as a parish and informally share our love of music. This will be available both via the Parish livestream and via the Parish Facebook page.

The Live Stream: We are aware that since we have upgraded our camera and microphone unit that some people are having problems with the reception. This is because certain devices are not compatible with the new technology. We are in contact with the server company and this problem will be rectified as soon as possible.
Thank you for your patience and are sorry for any inconvenience.
