We are currently exploring options for replacing the organ at St Mary's which has seen better days. One option we are looking at is to purchase a digital organ and it has been arranged to have a demonstration instrument on loan for 2 to 3 weeks to see if this would be a suitable replacement. The company will install it on **Thursday 16<sup>th</sup> September and then do a presentation that evening at 6.30pm**. This will last an hour and contain some information about the instrument itself including a tour of the sounds, some pieces played to showcase this and some slides about who we are as a company, and the advantage of buying a digital instrument.

Please come along to listen and see what you think – everyone is welcome.

**Baptisms:**

We congratulate the following children who were baptised last weekend:

Rosie Williamson, Millie Sayle, Ettie Zaccarini and Oakley Morgan.

Please keep them and their family in your prayers.
