Mary's Meals: The world is facing a hunger crisis of unprecedented proportions brought about by conflict, climate change and Covid-19. It has now reached emergency levels, with the effects of the war in Ukraine and the soaring cost of living worldwide making the situation even more desperate. Every day, we encounter more children who need our life-changing meals. And every day we find new ways of reaching them. But it has never been more difficult to do so – that is why we urgently need your support more than ever. We know the cost-of-living crisis is affecting our supporters in the UK. Our low-cost approach means that it costs just **8p a day** to feed a hungry child with **Mary's Meals** – so every donation, no matter the size, will transform lives.

Please donate, if you can, so that we can keep our promise to the **2,279,941 children** who rely on our meals, while striving to reach the next hungry child waiting. <https://donate.marysmeals.org>
