Pray in May with Mary's Meals: Mary's Meals, named after Mary, the mother of Jesus, is built on a foundation of prayer and the many little acts of love offered by those who believe in our mission. Thanks to your support, today more than 2.4 million precious children will receive life-changing school meals in 18 of the world's poorest countries. During the month of May, dedicated to Our Lady, we invite you to join us in praying for the hungry children who rely on Mary's Meals, and for all the children and families around the world who live in poverty. Please visit [Pray In May | Mary's Meals UK \(marysmeals.org.uk\)](http://Pray In May | Mary's Meals UK (marysmeals.org.uk)) to access prayer resources and see how you can support our mission. **Thank you** for all you do to help us continue this work.

CAFOD: The people of Sudan need our help urgently. We are launching an [emergency appeal](#) for donations to get aid to them on the biggest scale we can muster. When violence broke out last year in Sudan between government and paramilitaries, most aid agencies evacuated. Now, humanitarian workers are struggling to get back into Sudan to help, meaning severe delays in getting aid to the people, and the challenges of getting into areas where fighting is still going on remain. Many borders are shut as the government say they need to keep weapons out.

The situation has gone from serious to desperate very quickly. The UN is calling it 'the world's worst displacement crisis'. At least 8 million people have had to flee their homes; famine looms.

"At least 25 million Sudanese need immediate, emergency help. Families are already going hungry and famine is looming. This crisis threatens to become the worst in living memory." (Telley Sadia, CAFOD's country representative for Sudan). Our Caritas and Church networks are there when many aid agencies aren't, where people are in a desperate situation. The Church in Sudan is already responding and asking us to help them do more. Even in this year of economic stretch for many people here, we know that the Catholic community will want to respond with compassion to help people facing famine.

How your donations can help in Sudan

Food: Millions of families who have been forced to flee their homes due to conflict and are now facing yet another urgent crisis – hunger.

Donations now will help provide emergency food packages, as well as other essentials like medicine.

Water: Water pipelines have been damaged, meaning that families are having to fetch water from unsafe locations. With your support, we can work to repair damage to pipelines and build new ones so that clean water can reach the communities who need it.

Sanitation: We are providing emergency sanitation in several of Sudan's largest refugee camps. This is a desperate need especially for the sick, the elderly, those with young children.

SHEC: wishes to thank all who attended the St George's Cream Tea and all those who made such delicious scones and cakes. You raised an amazing £165 for the Parish Maintenance Fund. Many thanks.

Debbie and Peter Morris: A big thanks for all who attended and contributed to the Afternoon Tea last week. A total of £480 was raised for St Joseph's which will pay for water purifiers for the girl's and boy's hostel.

Sick and Housebound: If you are housebound or in hospital and would like to receive Communion, please would either yourself or a family member ring the Parish office and let us know and then this can be arranged.

Baptism: we congratulate **Arthur Daniel Rhodes** who was baptised last weekend. Please keep him and his family in your prayers.
